### ADDITIONAL DISCLOSURES

1. Welcome bonus offer not available to applicants who have or have had this product. To qualify for the 50,000 bonus miles, you must make purchases with your Gold Delta SkyMiles® Credit Card that total \$2,000 or more within your first 3 months of Card Membership, starting from the date your account is approved. In rare instances, your period to spend total \$2,000 may be shorter than 3 months if there is a delay in receiving your Card. Also, purchases may fall outside of the 3-month period in some cases, such as a delay in merchants submitting transactions to us or if the purchase date differs from the date you made the transaction. For example, if you buy goods online, the purchase date may be the date the goods are shipped. Qualifying purchases can be made by the Basic Card Member and any Additional Card Member on a single Card account. Purchases to meet the spend requirement do NOT include fees or interest charges, balance transfers, cash advances, purchases of traveler's checks, purchases or reloading of prepaid cards, or purchases of any cash equivalent. Miles will be credited to your account 6-8 weeks after you reach the spend threshold. Additional Card Members on your account are not eligible to earn the 50,000 bonus miles. For questions regarding your Card account, please call the number on the back of your Card or visit [delta.com](http://delta.com). 2. If your application is not approved, we reserve the right to modify or revoke our offer. 3. Welcome bonus offer not available to applicants who have or have had this product. One statement credit for \$100 will be credited to your account after you make a qualifying Delta purchase on your Card within your first 3 months of Card Membership. Purchases to meet the spend requirement include those made by the Basic Card Member and any Additional Card Member on a single Card account. Purchases must be made directly through Delta. Credit will be issued as a Card Member statement credit approximately 8-12 weeks after your first Delta purchase. Additional Card Members on your account are not eligible for this offer. To receive the \$50 statement credit, your Card account must be active, in good standing, and not in default at the time of fulfillment.
